

# AVANTGARDE SHIPPING CORPORATION

## VISION

Avantgarde Shipping Corporation aspires to become a globally recognized manning management agency as source provider of inspired, committed, motivated and competent Filipino seafarers that can withstand any dangers of life at sea, navigation and environmental protection through effective leadership and harmonious relationship of our maritime personnel.

## MISSION STATEMENT

- To render excellent service by providing qualified and experienced Seafarers to our respective Principal Clients.
- To be a manning agency that upholds integrity and concern for our clients, seafarers and employees in the highest degree of professionalism and competence.
- To Continually seek new opportunities to meet the needs of our Clients up to the extent of exceeding their requirements and expectations.
- To improve the quality of life of our employees, seafarers and other stakeholders and contribute to the growth of our economy and the Progress of our country.
