

AVANTGARDE SHIPPING CORPORATION

ASC QUALITY POLICY

Avantgarde Shipping Corporation (ASC) is committed to provide crewing management services that ensures satisfaction of our principals and expectations of relevant interested parties by deploying qualified, competent, suitably experienced, well trained, properly documented, and medically fit seafarers.

This Quality Policy will be achieved through established Quality Management System that will be maintained and continually improved in accordance with the requirements of ISO 9001: 2015 Standard. Specifically, this Quality Policy will be achieved through the following Quality Objectives:

- Compliance with relevant national and international maritime, labor and safety regulatory requirements;
- Monitoring, review, evaluation and analysis of our key performance measurements;
- Communicating the importance of understanding and meeting the needs, requirements and expectations of our Principals and relevant interested parties to our employees who are in the forefront of providing crew services

Through the implementation of our established Quality Objectives, our crewing service will be known globally for its quality, efficient and effective teamwork and professionalism in providing world class seafarers.
